

Southern California Outreach Events 2021/2022

Sundt Construction and various Southern California Public Agencies are conducting virtual outreach events every month from August 2021 thru Winter 2022. Many of these events will be focusing on specific Sundt Projects at the San Diego Airport, SD Unified School District, North Coast CCD and San Bernardino CCD. We would like to invite you to any and all of these events. See below for details and links (if available). Some of these events are not yet set up for registration. Please use this tentative schedule for a calendar placeholder.

Please check back with De Anna Andrews for updated dates and times at CaliBizOutreach@sundt.com
